

CYO UNDER SHIRT RULE ILLUSTRATED

Zone 6 Rule #3 - This is a zone rule which overrides Federation Rules
Teams should wear their parish colors

THE DOMINANT COLOR OF A TEAM'S JERSEY DETERMINES THE COLOR OF THE SLEEVED UNDER-SHIRT WORN UNDER THE PLAYING JERSEY.

Not all players have to wear undershirts.

ONLY when both teams are wearing same color, team with reversible jersey can switch without having to match reversed color nor having to display CYO patch

Many girls teams wear **sleeveless** undershirts that do not have to match jersey as long as they are sleeveless. If sleeves don't comply, Girls may tuck sleeves in to comply with this rule.
